This booklet provides a list of VIVA Medicare Plus network pharmacies. This directory is for the State of Alabama. Network pharmacies in other States are not listed in this directory. Please contact VIVA Medicare Plus for additional information. This directory is current as of January 1, 2010, and pharmacies may have been added or removed from the list after this directory was printed. We also list pharmacies that are in our network but are outside our 18 county service area. To get current information about VIVA Medicare Plus network pharmacies in your area, please visit our website at [www.vivamedicaremember.com](http://www.vivamedicaremember.com) or call Member Services at (205) 918-2067 in Birmingham or 1-800-633-1542 Monday through Friday from 8:00 am to 8:00 pm (TTY/TDD Users should call the Alabama Relay Service at 1-800-548-2546).

## Introduction

This booklet provides a list of VIVA MEDICARE *Plus* network pharmacies and includes some basic information about how to fill your prescriptions with VIVA MEDICARE *Plus*. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and formulary (list of covered drugs).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by VIVA MEDICARE *Plus*. In most cases, your prescriptions are covered under VIVA MEDICARE *Plus* only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described later.

If you choose to use mail order, VIVA MEDICARE *Plus* has a preferred mail order pharmacy for the VIVA MEDICARE *Plus Rx*, *Premier* and *Gold* plans. Preferred mail order pharmacies are mail order pharmacies in our network in which VIVA MEDICARE *Plus* has negotiated lower cost-sharing for its plan members for covered prescription drugs than at other network mail order pharmacies (if any). However, you will still have access to lower drug prices at these other network pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs.

## Can the list of network pharmacies change?

Yes, VIVA MEDICARE *Plus* may add or remove pharmacies from our pharmacy directory. The inclusion of a pharmacy in this directory does not guarantee that the pharmacy is open or is at the same location as listed in the Directory. To get current information about VIVA MEDICARE *Plus* network pharmacies in your area, please visit our website at [www.vivamedicaremember.com](http://www.vivamedicaremember.com) or call Member services at (205) 918-2067 in Birmingham or 1-800-633-1542 Monday through Friday from 8:00 am to 8:00 pm (TTY/TDD Users should call the Alabama Relay Service at 1-800-548-2546).

## How do I find a VIVA MEDICARE *Plus* network pharmacy in my area?

Please see the listing of VIVA MEDICARE *Plus* pharmacies in this directory to locate a pharmacy near you. Retail pharmacies are listed first followed by mail-order, home infusion and long-term care pharmacies. Or, you can visit our website at [www.vivamedicaremember.com](http://www.vivamedicaremember.com) or call Member Services at (205) 918-2067 in Birmingham or 1-800-633-1542 Monday through Friday from 8:00 am to 8:00 pm (TTY/TDD Users should call the Alabama Relay Service at 1-800-548-2546.)

## How do I fill a prescription at a network pharmacy?

To fill your prescription at a network pharmacy, you must show your VIVA MEDICARE *Plus* member ID card. If you do not have your ID card with you when you fill your prescription, you may have to pay the full cost of the prescription (rather than paying just your share). If this happens, you can ask us to reimburse you for our share of the cost by submitting a claim to us. To find out how to submit a claim, please refer to the paper claims process on page 4.

## **How do I fill a prescription through the VIVA MEDICARE *Plus* mail-order pharmacy service?**

To get order forms and information about filling your prescriptions by mail, call Member Services or print out a mail-order form online at [www.vivamedicaremember.com](http://www.vivamedicaremember.com). Please note that you must use VIVA MEDICARE *Plus* network mail-order services. Prescription drugs that you get through any other mail-order services are not covered.

You can use the VIVA MEDICARE *Plus* mail-order service to fill prescriptions for what we call “mail-order drugs.” These are drugs that you take on a regular basis, for a chronic or long-term medical condition. When you order prescription drugs by mail, you must order a 90-day supply. Our preferred mail-order pharmacy provider is Caremark and can be reached toll-free at 1-866-788-5146 with questions about your mail-order prescriptions (TTY/TDD Users should call 1-866-236-1069), or mail your completed form to:

Caremark  
P.O. Box 94467  
Palatine, IL 60094-4467

You are not required to use mail-order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of using any retail pharmacy in our network to obtain a supply of maintenance medications. All of the pharmacies in the VIVA MEDICARE *Plus* pharmacy network will dispense an extended day supply. Some retail pharmacies may agree to accept the lower mail-order reimbursement rate for an extended supply of medications for up to 90 days per dispensing. Other retail pharmacies may not agree to accept the mail-order reimbursement rate for an extended supply of medication. In this case, you will be responsible for the difference in price. Please call Member Services for more information.

Generally it takes our mail-order provider 10-14 days to process your order and ship it to you. However, sometimes your mail-order may be delayed. If our mail-order provider anticipates a delay in shipment of more than 10 days, for any reason, they will call you within 24 hours of receiving and logging the prescription. The mail-order provider will consult with you to help you decide whether to wait for the medication, cancel the mail-order, or fill the prescription at a local pharmacy.

## **How do I fill prescriptions outside the network?**

Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. Below are some circumstances when we would cover prescriptions filled at an out-of-network pharmacy. Before you fill your prescription in these situations, call Member Services to see if there is a network pharmacy in your area where you can fill your prescription. If you do go to an out-of-network pharmacy for the reasons listed below, you are limited to a 31-day supply and may have to pay the full cost (rather than paying just your share) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. However, even after we reimburse you for our share of the cost, you may pay more for a drug purchased at an out-of-network pharmacy because the out-of-network pharmacy’s price is usually higher than what a network pharmacy would have charged. You should submit a claim to us if you fill a prescription at an out-of-network pharmacy as any amount you pay, consistent with the circumstances listed below, will help you qualify for catastrophic coverage. To learn how to submit a paper claim, please refer to the paper claims process described next.

The following are a few exceptions when we will pay for a prescription filled at a pharmacy outside of our network. We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.

1. If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. If you are traveling within the United States and territories and become ill, lose or run out of your prescription drugs call Member Services to find out if there is a network pharmacy in the area where you are traveling. If a network pharmacy is not accessible, we will cover prescriptions that are filled at an out-of-network pharmacy.
2. If the prescriptions are related to care for a medical emergency or urgent care, we will cover prescriptions filled at an out-of-network pharmacy.
3. If you are unable to obtain a covered drug in a timely manner within our service area because there are no network pharmacies within a reasonable driving distance that provide 24 hour service.
4. If you are trying to fill a prescription drug that is not stocked at any accessible network pharmacy.
5. If you are getting a vaccine that is medically necessary but not covered by Medicare Part B and some covered drugs that are administered in your doctor's office.

### **How do I submit a paper claim?**

When you go to a network pharmacy, your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy for one of the reasons listed

above, the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription. When you return home, simply submit your claim with the completed VIVA member reimbursement form and your receipt to the following address:

Medicare Part D Paper Claims  
P.O. Box 52193  
Phoenix, AZ 85072-2193

You can get a copy of our member reimbursement claim form on our website or by calling Member Services. Upon receipt, an initial coverage determination will be made on the claim. Please refer to your Evidence of Coverage or call Member Services for more information on initial coverage determinations.

### **For more information**
